

TOUCHSTONE TOUCHPAD – JET BLACK/SILVER

TOUCHStone

SUMMARY

Designed to provide dual flush activation of the Mainsflush MFL140 toilet flush valve. The soft lines and the silky feel of the Touchstone touchpad bring a contemporary elegance to the bathroom. The sensory feedback of the electronics combine with the stunning design to bring a luxurious new experience to flushing your toilet. The inlaid solid Sterling silver flush logos add an understated touch of class.

FEATURES

- Stylish touchpad with a warm, silky feel and contemporary design
- Inlaid solid gold flush logos make this touchpad suited to the most luxurious bathrooms
- Operates on touch sensitive technology
- A gentle touch of the pad generates a subdued audio response and flushes the toilet.
- Suitable for elderly and disabled users
- The sound feature can be disabled at installation
- Strong, hygienic, secure and easy to install
- Can be located anywhere in the bathroom

MATERIALS

- Made from DuPont™ Corian® solid surface materials
